Dear colleagues and friends,

UWW-Europe has the information that alongside with the DRB league in Germany, another one was created. In this league, there are 5 participating clubs.

UWW-Europe has been notified that the newly formed DRL league has not been approved by the German wrestling federation (DRB). The newly formed DRL leagues' clubs are: ASV Nendingen, KAV Mansfelder Land, KSV Ispringen, SV Germania Weingarten, VfK Schifferstadt.

In order to prevent any violations of UWW's Constitution and regulations, I have the duty to inform you of the above. Please take into consideration that all transfers from and to the clubs in the newly-formed league will be considered illegal. Following this, all violators will be sanctioned from UWW.

For more information, please contact the Management of the German wrestling federation.

Thank you for your cooperation.

Regards,

Tzeno TZENOV
President of UWW-Europe
Vice-President of UWW
