From the 7th place, wrestlers of each category will be ranked depending on their ranking points, retirement or forfeit, injury or disqualification.

In case of a ranking tie, they will be ranked by analysing the following criteria successively:

- The most victories by « Fall »
- The most match won by superiority
- The most technical points scored in all the competition
- The fewest technical points given in all the competition

If the place of the wrestlers cannot be determined with the above mentioned criterion, they will be ranked ex-aequo.

The wrestlers taking part in the repechage phase will also be ranked according to the classification points earned during the competition, including qualification matches and repechage.

From the 7th place, wrestlers of each category will be ranked depending on their ranking points, retirement or forfeit, injury or disqualification.

In case of a ranking tie, they will be ranked by analysing the following criteria successively:

- The most victories by « Fall »
- The most match won by superiority
- The most technical points scored in all the competition
- The fewest technical points given in all the competition

If the place of the wrestlers cannot be determined with the above mentioned criterion, they will be ranked ex-aequo.

The wrestlers taking part in the repechage phase will also be ranked according to the classification points earned during the competition, including qualification matches and repechage.

A Nordic versenyeken a legtöbb győzelemmel rendelkező versenyző lesz sorrendben az első függetlenül az össz pozitív pontok számától.

Ha két versenyző azonos pozitív ponttal zár, a kettejük közötti mérkőzés eredménye a mérvadó. A rangsorban az végez előrébb, aki ellenfelét legyőzte.

Amennyiben kettőnél több versenyzőnek van azonos pozitív pontja, a következő szabályokat addig kell alkalmazni, hogy csökkenjen az összehasonlítottak száma, amíg csak két versenyző nem marad az összehasonlításban:

- A legkevesebb elért « tusgyőzelem »
- A legkevesebb elért technikai fölény
- A legkevesebb szerzett technikai pont a teljes esemény során
- A legtöbb adott technikai pont a teljes esemény során
- The fewest technical points given in the whole competition
- The lowest draw number

Direct match comparison between the two last ex-aequo will not be used if more than 2 wrestlers have an equal number of victories.
